Apartment Style Accommodation

In general, self catering apartments feature cooking facilities with a minimum of microwave, hot plates, saucepans, crockery, cutlery and cooking utensils. Laundry facilities will be located either in the apartment, or in a guest laundry within the property. Most apartments are serviced every 7 days and do not provide hotel facilities such as porterge, room service or mini bars. Most apartments provide an initial supply of items such as tea, coffee, toilet paper and soap.

Room Images

Room images featured on property listings are the lead-in room type, unless captioned otherwise.

- Kids Club facilities are available. Check listings for details.
- Day spa facilities are available.
- The property has one or more rooms providing wheelchair access with assistance.

**Pricing Guide**

Prices featured in accommodation listings are per room for the period specified unless otherwise stated. The “from” price in the property heading has been calculated using the cheapest nightly rate available, i.e., in the lead-in room type, in off-peak season using the longest stay (e.g. 7 nights). If a free night offer is available, even if for part of a season, this has been included when calculating the “from” price. A minimum stay is generally required. Where prices for more than one night stay are featured, the prices refer to stays of consecutive nights.

Cairns and Highlands
Get set for all that Cairns has to throw your way. This tropical city is bustling with nightlife, your choice of restaurants, shopping and great places to stay. Whether you choose a low-key budget getaway or check into five star luxury, Cairns offers itself up as the perfect starting point for adventures in Tropical North Queensland. Take a closer look at nearby Kuranda, with its market temptations and laid back community.

Palm Cove and Cairns Beaches
Nothing says tropical getaway quite like the Cairns Beaches. Venture just 20 minutes north of Cairns and you’ll find this stunning stretch of holiday hotspots, including pretty-as-a-picture Palm Cove. It’s here that world class day spas and an overwhelming array of to-die-for resorts and restaurants compete with the best on offer anywhere.

Delightful Trinity Beach is relaxed and laid back. Tucked between two headlands, you can swim in beautiful calm waters or visit the nearby attractions. Each of the beaches throughout the stretch offer their own style and personality.

Port Douglas
The seaside village of Port Douglas has long been known as the destination of choice for the rich and famous. Port Douglas is like a resort oasis, providing the perfect headquarters for day tours around the reef and rainforest.

When it’s time to really kick back, the palm-fringed Four Mile Beach is the place for it. Enjoy stunning views from Flagstaff Hill Lookout, or head to Macrossan Street’s bars, restaurants and cafés.

Mission Beach
Take a deep breath and get ready to unwind. Heading along the Great Green Way from Cairns or Townsville, Mission Beach is a 14 kilometre stretch framed by reef and rainforest. A drawcard here, with its lovely beaches and bays.

Outback Queensland
Experience the history that has shaped Australia in Outback Queensland. Discover the landscape that inspired the lyrics to Banjo Patterson’s iconic ballad, Waltzing Matilda. Come and see where the legend of the stockman started and where Qantas carved its name into Australian history. Travel along the famous Birdsville Track, see where the dinosaurs once roamed at Lark Quarry and admire the countless species of wildlife.

Townsville and Magnetic Island
Townsville is the tropical north Queensland city with a laid back vibe. Get the city benefits of great dining and shopping and you’re perfectly placed to set off to nearby hinterland rainforest, quaint country towns, the Great Barrier Reef and islands beyond. Across the water from Townsville is Magnetic Island. Unbeatable natural beauty is the drawcard here, with its lovely beaches and bays.

Tropical North Queensland Islands
The islands of the Tropical North are some of the most beautiful in Australia and offer easy access to the Great Barrier Reef. Sip cocktails at sunset, while away the day in a hammock and explore the underwater worlds. Fringing reefs surround many of the islands like Fitzroy Island and Green Island, so you can discover the colourful coral and marine life right from the beach.

The Tropical North also boasts some of the most exclusive island resorts including Lizard and Orpheus Islands. These top spots with their exclusive resorts are just the beginning of the tropical delights that dot the coastline. Enjoy a decadent meal or a picnic on a secluded beach.

Tableland, Daintree and Cooktown
This region is unlike anywhere else on earth. It’s the only place in the world where World Heritage Listed rainforest meets the reef. Cool off in hidden waterholes, wander through rainforest, explore Coconut Beach or head out to the reef. It’s the perfect blend of reef and rainforest, relaxation and adventure.

Discover a host of natural wonders in the Atherton Tableland, such as the famous Curtain Fig Tree and Undara Lava Tubes. Cooktown is the historic gateway to the Cape York Peninsula and there’s a bucket load of stories to be told at the town’s museum – the 1770 arrival of Captain James Cook, the area’s Aboriginal heritage and the Palmer River Gold Rush to name a few.
1. **Great Barrier Reef**
   Take a day trip to the Great Barrier Reef. Explore the world’s largest marine park and check out the underwater wonders while swimming, snorkelling or diving or try something completely different and grab a dive helmet for an undersea walk. 2. **Daintree and Cape Tribulation**
   Explore the Daintree Rainforest and visit Cape Tribulation Beach. Join a 4WD safari, spy the predators of the north on a croc-spotting Daintree River cruise or relax with some chill time at a rainforest retreat, and you’ll soon see why the rainforest is one of tropical north Queensland’s star attractions. With 900,000 hectares of World Heritage Listed rainforests, you can take your pick from Daintree and Cape Tribulation adventures. (see pages 77 and 78 for details)

3. **Kuranda**

Palm Cove and Cairns Beaches

With a reputation for spa spots, dining and beaches that rival the best in the world, Palm Cove is a place where the stresses of life seem to disappear. It’s hard not to unwind in a place that looks like it’s been lifted from a postcard.

There’s something about Palm Cove that brings out the romance in people. The village is only 25 minutes north of Cairns or 35 south of Port Douglas. Take your time over a romantic dinner at some of the best restaurants in Tropical North Queensland or connect over some relaxing treatments for mind, body and soul at the many world-class wellness spas.

A little closer to Cairns, Trinity Beach is another little slice of paradise sheltered between two headlands. The calm waters are perfect for non-motorised water sports like sea kayaking, skimmer boarding and boogie boarding, and you can set up a picnic just about anywhere. You’ll find plenty of cafés and restaurants to choose from if you’d prefer someone else to do the cooking.

If too many perfect beaches are never enough, keep the search going and let it take you to Ellis Beach for a night in an oceanfront bungalow. Then on to Kewarra where you can set sail on the Great Barrier Reef, or further to Holloways Beach to check into a beautiful hideaway hotel so close to the water you can smell the salt.

All of this is just a short trip from Cairns or Port Douglas.

Join those in the know and head to one of the best Tropical North Queensland destinations, Port Douglas. Just an hour north of Cairns, Port Douglas feels like a world away from it all. The coastal road north is one of the most scenic in Australia, offering gorgeous glimpses of the Coral Sea as you journey through lush rainforest.

The area is nice and warm all year round so it’s always a good time to escape more frosty climates and take in a reef or rainforest tour.

The local Four Mile Beach is ideal for a barefoot stroll to work up the appetite before you take your pick from the multitude of restaurants, cafés and bars along Macrossan Street.

For a holiday full of surprises, check out the Port Douglas Carnivale in May, which sees the town take on a little Rio vibe with music, exhibitions and parades. Things liven up again for the Footprints Music Festival, an eco-arts festival, and Portoberfest, the Far Northern Queensland Beer Festival, both in October. It’s best to book well in advance for these periods to guarantee yourself a seat at the party table.

Atherton Tableland, Daintree and Cooktown

As far as boasting rights go, the Tableland, Daintree and Cape Tribulation coast score beautifully with their dual World Heritage offerings, the Great Barrier Reef and World Heritage Listed rainforest. The Atherton Tableland is home to a host of natural wonders, including the Curtain Fig Tree and Undara Lava Tubes. The area buzzes with wildlife as you take the Daintree River Ferry crossing to the rainforest town of Daintree. Keep your eye out for any number of marsupials, reptiles, birds and butterflies among the Earth’s oldest surviving rainforests. Not to mention the infamous crocodiles lazing in the sun on the mangrove-lined banks or cruising through the water nearby. Catch all the action from the safety of a boat on a Daintree River cruise. Pass through lowland and tropical rainforest before reaching spectacular Coconut Beach. It’s here you can go exploring at low tide or fish right from the edge of the reef. A 4WD vehicle comes in handy for the drive through the Wet tropics rainforest to the more remote towns of the north.

Explore historic Cooktown, where you can join the locals for some world-class fishing, witness a magnificent sunset from Grassy Hill, visit James Cook Museum and learn about the town’s history. Immerse yourself in the Aboriginal culture by visiting one of the many rock art sites around Cooktown and buying Aboriginal art from the locals.

Cruise the Daintree River
Walk through the rainforest canopy on the Daintree aerial walkway
Wander along one of the beaches fringed by World Heritage rainforest

Cape York Peninsula is truly Australia’s last frontier – 115,000 square kilometres of untamed wilderness and rainforest, sacred Aboriginal sites and rugged mountains that can’t be seen anywhere else. Fish for Barramundi, get involved in turtle conservation or follow in the footsteps of Australia’s early explorers. Visit ancient rock art, memorable pubs and spectacular natural scenery. And of course, you can’t miss standing on the tip of mainland Australia.

Drive along red outback roads and make your way to the mining town of Weipa to relax overlooking the Gulf of Carpentaria. One of the best spots for fishing is in Weipa as it has the perfect coastal location and the fish are plentiful. Learn about Aboriginal culture and discover the Authentic Aboriginal artwork at the Western Cape Cultural Centre.

Next on the itinerary are the small Aboriginal coastal communities of Bamaga and Seisia. Walk along the jetty in Seisia or hire a boat and explore the fascinating Torres Strait. Take the ferry over to Thursday Island, a three square kilometre patch of paradise. Visit the Gab Titui Cultural Centre which houses a modern gallery that displays the cultural history of the islands or wander around town and have lunch at one of the local pubs before catching the ferry back to the mainland.

Outback Queensland

Journey to the heart of the Outback and experience the heritage and culture that has shaped the nation at Longreach and Winton. The legendary township of Longreach named after the “long reach” of the Thomson River on which it is situated and home to The Australian Stockman’s Hall of Fame and Qantas Founders Museum. Learn of the pioneering years through innovative museums, attractions and exhibitions.

Winton is best known as the place that Banjo Paterson wrote Waltzing Matilda in 1895 and is also the founding place of Qantas in 1920. The town has a range of museums including the Heritage Listed former Corfield and Fitzmaurice emporium, as well as the Heritage Truck and Machinery Museum.

From Winton visit the Combo Waterhole, where the swagman of Waltzing Matilda fame reputedly met his fate, and the Lark Quarry, where 93 million year-old fossils capture a dinosaur stampede, the only recorded dinosaur stampede on earth.

Travel along the Charleville Heritage Trail for an insight into the town’s history. Charleville is situated on the banks of the Warrego River, and is the terminus for the Warrego Highway. View the stars at the Cosmos Centre and Observatory. Find the Cunnamulla Fella, relax at the Artesian Mud Baths and try your luck at the Yowah Opal Fields. Enjoy the native bottlebrush trees and the stunning wildflowers (in season) throughout the surrounding countryside.

Quilpie is renowned for its opals and is often referred to as the home of the Boulder Opal. Birdsville, between the Simpson and Sturt Deserts, is the starting point of the famous Birdsville Track, some 1590 kilometres west of Brisbane and is best known for its famous pub and annual race meeting. With the first race meeting being held at the new township in September 1882 and attended by some 150 station owners, managers and stockmen.

PRICES AND CONDITIONS
Prices in this brochure are valid for travel from 1 April 2014 to 31 March 2015, unless otherwise specified. Prices are in Australian Dollars, unless otherwise specified, and include GST where applicable.

All prices are subject to availability and can be withdrawn or varied without notice. Prices are provided as a guide only and may vary due to changes in surcharges, fees or taxes or due to currency fluctuations. Please check all prices, conditions and information with your travel agent before booking.

The price of your holiday may change at any time up to 30 days before your departure if any new surcharges, fees or taxes are introduced or if any existing surcharges, fees or taxes are varied, even after you have paid all or part of the quoted price of your holiday.

If we have to change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, then you may cancel the holiday and we will refund any monies already paid less any changes levied by Suppliers.

Some Suppliers may impose conditions that vary from the conditions stated in this brochure. Please ask your travel agent at the time of booking if different conditions apply.

CREDIT CARD PAYMENTS
Prices in this brochure are for payments made by cash. A credit card surcharge will apply when paying by credit card. Please check this fee with your travel agent before booking.

PRICES DO NOT INCLUDE
Anything not specifically indicated as being an inclusion of the package is an additional expense.

DEPOSITS AND FINAL PAYMENT
Deposit
A minimum non-refundable deposit of $55 per adult or $110 per booking, whichever is the greater, is required within 7 days of confirmation of your booking, unless otherwise advised at the time of booking. Some Suppliers may impose deposits in addition to the minimum deposits stated in this brochure. A deposit holds services but does not guarantee prices.

Final Payment
Full payment of your holiday cost must be made no later than 30 days prior to travel, or by sale end date, or by the payment deadline specified in individual package conditions, whichever is earliest. For bookings made 30 days or less prior to travel, full payment of holiday cost is required at the time your booking is confirmed.

Please ensure payments are made by the due dates. If this does not happen, our computer system automatically cancels the booking without notice or liability to you. Only upon payment of the full cost of your holiday do you have a final booking with the Supplier of the relevant good and/or service. In arranging your booking, Sunlover Holidays is acting as the agent of the Supplier of the relevant Product and at no time do you have a contract with Sunlover Holidays.
